

**Honey Brown Eyes March 2008 draft**

**Branko Side #1**

*BRANKO appears in the doorway.*  
*SOUND: Laughtrack*

BRANKO  
Little tough guy, the truck is leaving.

DRAGAN  
I'll take the next one.

BRANKO  
What the hell are you doing?

DRAGAN  
I'm waiting-

*BRANKO grabs the TV.*

DRAGAN  
Hey!

BRANKO  
Alf! I love this show-

DRAGAN  
Get off. That's mine-

BRANKO  
Fuck no. Where did you find it?

DRAGAN  
It was here.

BRANKO  
You kill her for it?

*SOUND: laughtrack*

DRAGAN  
She's just passed out.

BRANKO

You had a good time I hope.

DRAGAN

Djubre, (joo-bray = trash) has a mouth on her-

BRANKO

Teach her a lesson?

DRAGAN

There's a girl here. I'm waiting for her to come back.

BRANKO

Someone has a date!

*SOUND: Laughtrack.*

BRANKO

(re: TV show)

Alf. Stupid Puppet. Likes to eat cats. I love this guy.

DRAGAN

Pass it back, man-

BRANKO

Uh-uh.

DRAGAN

Yes. C'mon.

BRANKO

We have to go.

DRAGAN

I told you, I'm staying. I'm waiting for the little girl to come back.

BRANKO

Don't bother. I don't see any photos.

DRAGAN

I found this doll.

BRANKO

She might not even live here. The people upstairs sent their children away. Somewhere. Austria? Italy? I don't fucking know. They had relatives. I had to push the noisy bitch down

two flights just to get her to shut up-

DRAGAN

These fucking stupid people.

BRANKO

Get the feet.

DRAGAN

Wait, I might need to interrogate her.

BRANKO

Oh well, if you might need to interrogate her.

DRAGAN

Shut up. What time will the truck be back?

BRANKO

How old is this girl?

DRAGAN

The neighbor said twelve.

BRANKO

Worth sticking around for that.

DRAGAN

No shit.

BRANKO

Twelve will make the captain happy. You know what he says? Ten is a delicacy, but twelve wins the gold. Twelve can make a Chetnik baby.

*SOUND: laughtrack*

*BRANKO picks up the television.*

DRAGAN

Hey, give it back. I need something to do while I sit in this shithole.

BRANKO

Ho! tough-guy!

*DRAGAN grabs for the television. BRANKO holds it away from him They fight.*

*BRANKO easily pushes DRAGAN to the ground. He falls on ALMA.*

**BRANKO**

*(Nodding towards Alma)*

Make a Chetnik. Lose your virginity already.
