**Branko Side #2**

*BRANKO enters*

BRANKO  
Well, well, well.

*SOUND: Television entrance applause*

DRAGAN  
Told you she lived here.

BRANKO  
She's cute too.

DRAGAN  
Found her hiding in the floor.

BRANKO  
You didn't check that earlier?

DRAGAN  
I did, but not where she was hiding.

BRANKO  
(slapping Dragan's head)  
Jesus, Einstein. (to Zlata) See? He had to shoot your mother because you wouldn't come out and play with us. You going to listen to us now? Huh?

*ZLATA says nothing.*

BRANKO  
Did you hear me?

ZLATA  
Yes.

BRANKO  
If you don't do what we say, we'll shoot you too. Got it?

*ZLATA nods.*

BRANKO

What is she mute?

*SOUND: Laughtrack*

DRAGAN

There's the TV. You should take it. The little brat was using up all the batteries. I found her stash though, and I put them in here.

*BRANKO checks the pillowcase*

BRANKO

The motherload! Been waiting all day for this.

DRAGAN

Tell me about it.

BRANKO

Wrap this up. They're gonna torch the place.

DRAGAN

I'll be down in two seconds.

BRANKO

Don't take too long. Oh right, you won't.

*BRANKO exits laughing.*
